

About us

PRECISION PEST & HOME SERVICES is a family owned and operated business in Charleston, SC (New Office will be on Highway 17/Savannah Highway).

Precision Pest & Home Services is a Pest Management and Home Services company founded on decades of experience and professionalism. Precision Pest & Home Services, provides general pest control, mosquito control, termite control and monitoring as well as moisture mitigation, encapsulation and insulation services throughout the Charleston area. A family owned and operated company dedicated to providing a healthy work-life balance for all its employees.

Our work environment is a great work/life balance for everyone. We understand family and children come first so flexibility and understanding is our priority. The opportunity to create your own schedule to make time for the important stuff as well as beat the Charleston high traffic times are always an option.

Salary: \$23-\$27/Hour, with added benefits to be discussed (Bonus/Commissioned Incentives, PTO, Paid Sick Time, Insurance Premium Reimbursement)

The next team member must have a positive, can-do attitude and professional presence when working with residential and commercial customers.
